- Job Title:** Emergency Medical Technician
- Department:** Wythe County Emergency Services
- Position Type:** Full-Time: Hourly; Non-Exempt From Overtime; Rotating & Scheduled Shifts
Part-Time: Hourly; No Benefits; Scheduled Shifts
- Reports To:** Wythe County Emergency Services Chain of Command
- Job Location:** Assigned by management, generally either Lead Mines or Rural Retreat stations, but subject to change depending on calls, events and anticipated call volume.
- Job Summary:** Provides timely, compassionate emergency medical care and response for patients experiencing a medical emergency and/or traumatic injury; ensures continuity of care at the scene and during transport to an appropriate medical facility or to a higher-trained EMS provider; operates and maintains agency apparatus and equipment with due regard, pursuant to the Code of Virginia and regulatory requirements; assists in the routine maintenance and inspection of agency apparatus, facilities, and equipment; functions as an efficient team member in delivering emergency medical care in often hazardous and/or stressful conditions; assists supervisory and billing staff in timely making reports, collecting data and submitting for billing; performs other duties as assigned by the supervisor.

Key Responsibilities:

- Respond to emergency calls upon dispatch in a safe and expedient manner
- Provide emergency medical care following established patient care guidelines authorized by the operational medical director (OMD) within the scope of practice established by the Virginia Office of EMS
- Exercise due discretion, discernment and regard for personal and public safety in the delivery of emergency care
- Utilize medical equipment in the delivery of patient care
- Complete electronic patient care records and other documentation as required, pursuant to Virginia Office of EMS regulations
- Serve as a field preceptor or field training officer for new employees and/or students enrolled in initial certification programs (Captain and EMS Director approval required)

- Attend and participate in agency training and education activities to maintain mastery of skills and competence in the delivery of patient care
- Participate in EMS-related public health initiatives for schools, industries, community organizations and other entities as assigned
- Clearly and concisely utilize radio and digital communication platforms in daily operations with appropriate communication discipline
- Complete daily inspections of assigned equipment and apparatus at start of each shift
- Maintains required supply inventory on all licensed EMS vehicles and restocks supplies as needed throughout the shift
- Performs and assists in routine maintenance of buildings, equipment, and grounds
- Supports the strategic and tactical initiatives of the department to maximize delivery of quality patient care and ensure public safety
- Supports a positive workplace culture
- Collaborates with co-workers to innovate, proactively improve service delivery, and maximize accountability of time, resources and effort
- Support the recruitment and retention efforts of the department
- Must adhere to all Wythe County Emergency Services policies and procedures, which are subject to change as necessary

Qualifications & Requirements: The ideal candidate will meet or exceed the following:

- Extensive knowledge of emergency medical care and basic life support techniques and equipment
- Familiarity with the geographical layout of Wythe County and the towns of Wytheville and Rural Retreat
- Ability to read electronic maps, follow directions and respond to Dispatch directions
- Must be able to manage major emergency medical services incidents and make appropriate decisions regarding patient care.
- Must possess well-developed interpersonal skills with the ability to effectively communicate to other emergency personnel, patients, family members, and members of the general public.
- Must be able to provide guidance, assistance, and/or interpretation to others regarding the application of patient care guidelines, department policies, or established standards to specific situations.
- Requires heavy or very heavy physical effort, which may involve lifting, carrying, pushing and/or pulling of objects and materials of heavy to very heavy weight; ability to clearly and quickly utilize all senses necessary in the delivery of emergency patient care and response; standing, sitting, walking, running, physical exertion, exposure to hazards both expected and unknown

Credential Requirements:

- Valid Virginia driver's license
- Virginia EMT certification
- ICS: 100, 200, 700, 800
- Virginia OEMS-approved EVOC certification
- AHA BLS for Healthcare Provider
- **Preferred:** Hazmat Awareness, Firefighter I, National Registry EMT (or obtain within 1 year of hire)
